**"No Payne  
No Gain"**

## TRUCKLOAD

From coast-to-coast, our **Open Deck** and **Van Divisions** can serve your less-than-truckload and trailer load needs. Centrally dispatched out of our head office in Winnipeg, our experienced team can assist you with any shipments you may have. We also offer **Full Logistic Services**, so you never have to worry about finding a truck for your shipment. Payne proudly serves all of Canada and the US, including irregular routes.

- Warehousing and cross docking services available.
- 48' & 53' Flat and Step deck equipment.
- 53' High Cube full logistics vans.
- Local pickup & delivery.
- Access to 3,184 power units and over 9,000 trailers through our Mullen Group limited partnership.
- Less-than-truckload service offered in all directions

## SPECIALIZED

There's no job too big for our **Specialized Commodities Division (SCD)**! With strong partnerships in the agricultural, construction, mining, and oil & gas industries, our experienced team of drivers and office personnel can handle even the toughest moves you have; providing Canada and USA bonded services to all major ocean ports in the USA.

- Legal & over dimensional service
- 51' & 53' – Step, Flat decks and RGNs (*Removable Goosenecks*)
- Cross docking and storage available at our secure facilities in Winkler, MB & Saskatoon, SK
- TWIC Approved Drivers (*Transportation Worker Identification Credential*)

## WIRE & CABLE

Servicing the wire and cable industry with a niche selection of services including LTL, TL Flat Deck and Heater Van Service throughout Canada, US and beyond. Specialty service such as inventory management and just in time delivery of critical elements within the supply chain. Strategically located to best serve major markets in Toronto, Montreal and Ottawa

- Dedicated team that specializes in the handling and transportation of wire and cable products
- Cross docking, storage, warehousing and inventory management available in Johnstown, ON
- Customized solutions for our customers both regionally and internationally as requested
